

17th March, 2020

Dear Parents and Guardians,

Due to current difficulties experienced accessing food items for our practical lessons, we need to temporarily cease all practical food activities in Technology Mandatory, Food Technology and Hospitality.

Scheduled practical assessment tasks, which were to take place in the coming weeks for Year 9 and Year 10 Food Technology and Year 11 Hospitality, will be rescheduled when appropriate, or alternate tasks may be given. New assessment notifications will be issued to the students at least two weeks prior to rescheduled assessment tasks.

Thank you for your understanding in this matter.

Yours sincerely

B Hugo
Principal

D Cleaton
Head Teacher (TAS – Home Economics)
