

ADDITIONAL INFORMATION APPLICATION FOR NON-LOCAL ENROLMENTS

Dear Parents and Carers,

All Year 6 students in government primary schools will be issued with an *Expression of Interest* form for placement in Year 7 at a government high school. This completed form must be returned to your primary school. Non-Government students can obtain an Expression of Interest form from any Government Primary School or High School.

Students living within Port Hacking High School's boundaries, as drawn by the Department of Education, are deemed local students. Students outside these boundaries are classified as non-local, and for enrolment applications, these students must complete the **Additional Information Application for Non-Local Enrolments** form and return it to Port Hacking High School by **3pm Friday 25 March, 2022**. All applications will be stamped with the date of receipt and NO late applications received after that date will be considered. In order to ensure procedural fairness, the panel will not consider additional information that is not submitted at the time of the original application. **Please attach photocopies of the last two published school reports to this application and any other documentation that may be relevant to show your student's commitment to learning.**

The school will consider accepting non-local enrolments based on the following criteria:

- siblings already enrolled at the school
- access to a co-educational school
- proximity and access to the school
- medical reasons
- availability of subjects or combinations of subjects
- students enrolled at local primary school / feeder school
- commitment to learning
- student learning needs
- commitment to ethos, culture and values of Port Hacking High School
- safety and supervision of your child before and after school
- compassionate circumstances
- the structure and organisation of the school
- recent changes in the local intake area boundaries

The school's placement panel will use this information to determine out-of-area enrolments.
